Dear Friends in Christ,

“No one puts new wine into old wineskins; if he does, the wine will burst the skins, and the wine is lost, and so are the skins; but new wine is for fresh skins” (Mk 2:22).

We at the Augustine Institute seek to serve parishes by giving them fresh wineskins, by providing innovative ways to engage parishioners in this digital age with state of the art videos, digital distribution through our [formed.org](https://www.formed.org) platform and app, all of which take the perennial truths of our Faith and deliver them in a fresh and captivating way.

Our goal is to make religious productions the most artistic and compelling in the world. The Church was once known for its employment of great artists such as Caravaggio, Raphael, Bernini, and Michelangelo. We work with hundreds of the top Catholic teachers, speakers, and authors and combine them with the highest quality video and audio production in our award-winning studios to help you reach, engage, and form your parishioners in the Faith. You don't have to be disappointed by the quality of religious videos, art, and books again. At the Augustine Institute, we know that the New Evangelization requires us to surpass the world in quality presentation and storytelling. To help win the hearts and minds of your parishioners, we provide you with winsome works that show forth the wonders of the Faith and the love with which the Church has been entrusted.

You have a vital role of stewardship in the Lord's vineyard. As fellow stewards, I invite you to learn more about our parish programs and offerings, and how you can serve the fresh new wine of the New Evangelization to help strengthen and renew your parish.

Shalom,

Dr. Tim Gray

NEW RELEASE

MEN AND WOMEN ARE FROM EDEN

DR. MARY HEALY

God's design for life, love, relationships, and sex is written into our very bodies. With incredible clarity, Dr. Mary Healy explains how the Theology of the Body, Pope St. John Paul II's deeply biblical understanding of Our Lord's original plan for men and women, is astonishingly good news for a culture littered with broken marriages, immorality, heartache, and loneliness.

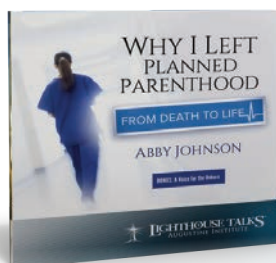

NEW RELEASE

CAN YOU TRUST GOD?

DR. TIM GRAY

Since the Fall of our first parents, humanity has been tempted to mistrust the love that God the Father has for us. Scripture scholar Dr. Tim Gray takes us on a journey that addresses the pervasive misconceptions that God is quick to anger, that the God of the Old and New Testaments are different, and that God doesn't have a merciful heart for us. Your parishioners will see that they can trust our heavenly Father, who is truly one with his Son.

NEW RELEASE

WHY I LEFT PLANNED PARENTHOOD

ABBY JOHNSON

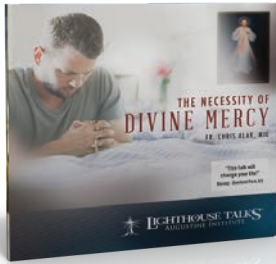

Abby Johnson recounts realizing the reality of abortion during her time as the director of one of Planned Parenthood's largest clinics. She shares an insider's perspective about the true motivations of the abortion industry, and her courageous journey away from it. Her story is a testament to God's grace and mercy, and the joy that comes from being an advocate for life.

GUADALUPE Y EL MISTERIO DEL VERBO ENCARNADO

XAVIER FERNANDEZ

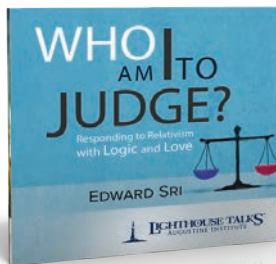

The Apparition on Tepeyac brought the Son of God to the New World. This presentation of the story of Guadalupe reveals an amazing perspective of the relationship between Mary, the Apocalypse, and the Holy Eucharist that will bring your parishioners closer to the Lord and his Mother.

THE NECESSITY OF DIVINE MERCY

FR. CHRIS ALAR, MIC

Fr. Chris Alar, MIC, reveals the urgency to live and share the powerful message of Divine Mercy. He explains the basics of the Divine Mercy feast, image, novena, chaplet, and hour of mercy, and how to incorporate them into your spiritual life. In this compelling presentation your parishioners will discover God's transformative message of Divine Mercy.

NEW RELEASE

WHO AM I TO JUDGE?

DR. EDWARD SRI

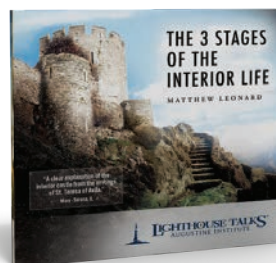

How do we talk about morality in a world that no longer believes in truth? When we're bombarded with messages of "Be tolerant!" "Don't judge!" and "Coexist!" many good people feel afraid to say anything is right or wrong anymore. This talk gives your parishioners an important key to responding to relativism effectively: a Catholic moral worldview.

HOW TO TALK ABOUT SAME SEX MARRIAGE

TRENT HORN

Catholic Apologist Trent Horn carefully considers same-sex marriage and provides an in-depth discussion that addresses the misconceptions held by many in our society today. This examination of what marriage really is, and what it is not, provides your parishioners a truly gracious and persuasive response to the debate surrounding this important topic.

THE 3 STAGES OF THE INTERIOR LIFE

MATTHEW LEONARD

Matthew Leonard walks through the three stages of the spiritual life, helping listeners progress toward union with God and enter the interior castle written about by St. Teresa of Avila. With humor and concrete examples, this presentation is sure to aid your parishioners in their journey to becoming a saint.
